

OFF-GRID Expo + Conference

OFF-GRID Expo+Conference
December 7 - 8, 2023

OFF-GRID TechDay
December 6, 2023

The only event for off-grid solar, wind and hydro-power systems and self-sufficient power supply

Do you know this unique event for off-grid products and services?

- ✓ THE only congress fair in Europe that is purely focused on off-grid with renewable energies - live in person in Augsburg, Germany
- ✓ THE annual network happening of the international community at the end of the year: More than **60 exhibitors** of 12 countries, **900 participants** from 37 countries (OEC 2022)
- ✓ **Off-grid portfolio** of exhibitors and visitors from the entire value chain

The multi-action concept for intensive know-how transfer, new business and networking!

- 1. OFF-GRID Expo**
Present your know-how and your products to an international expert audience (members of the industries, tradings, users, aid organisations/NGOs, system integrators, investors and more)
→ Use the only trade fair in Europe that focuses on off-grid solutions to present yourself as an exhibitor!
- 2. OFF-GRID Conference**
Two days of interactive, English-speaking program with high-quality sessions and panel discussions
→ Increase your visibility on-site as a speaker at the conference to make more visitors aware of your company!
- 3. Networking**
Great **networking opportunities** with the international off-grid community through matchmaking sessions and get-together
→ Gain new contacts and generate new projects!
- 4. NEW: Innovation Stage**
The multi purpose "speakers corner" as an **additional platform for exhibitors** to present innovations and services
→ Use the extra stage to get everyone's attention!
- 5. OFF-GRID TechDay on Dec 6, 2023**
In timeslots of 2,5 hrs exhibitors can offer **product and service workshops** tailored for the OEC visitors.
→ Extend your trade fair appearance: Use the day before the event to already present your company effectively!
- 6. NEW: Open access**
All visitors can benefit benefit from the TechDay & the Expo+Conference with **just one ticket for all (59€)**
→ Benefit from many visitors at your booth due to a varied and extensive program and low-priced access for visitors!

Request an offer for your booth at the expo!
